Hiking Japan - Selected Walks

17D / 16N

Summary

70% of Japan is covered in mountains and forests with a wide variety of landscapes, from beach to mountains abounding with well preserved nature.

Start near **Tokyo** before reaching the foothills of **Mt Fuji**, **Hakone** and the beautiful lake **Kawaguchi**.

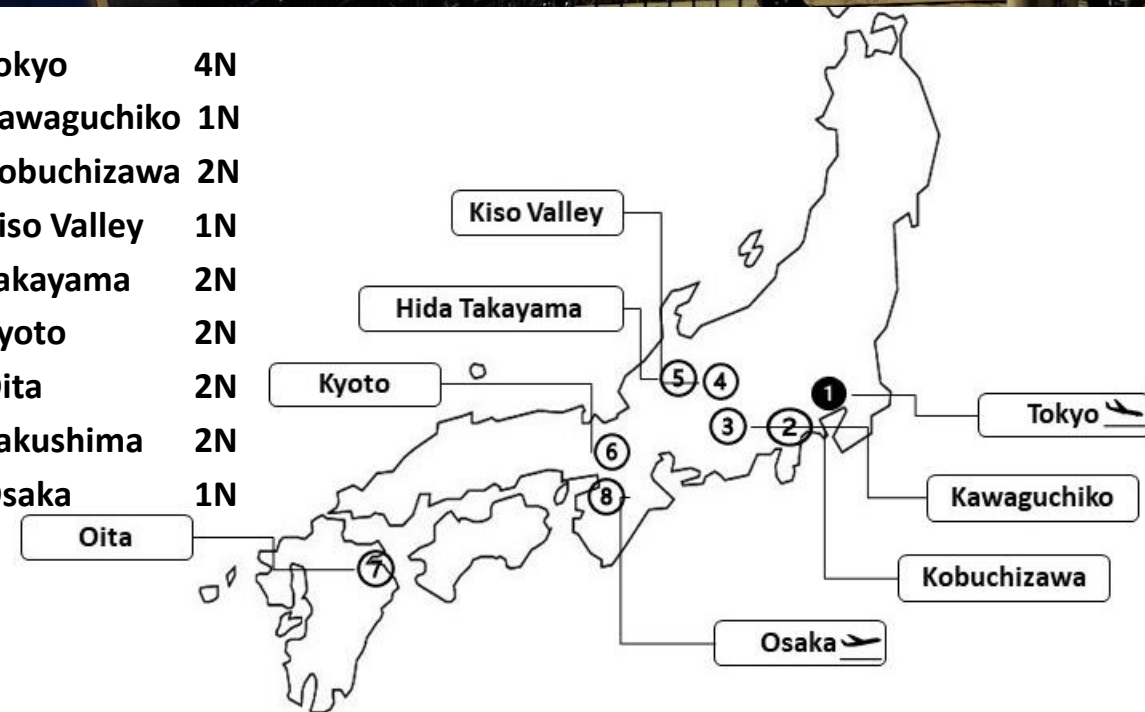

Then onto **the Japanese Alps** in Kobuchizawa, the **Kiso Valley** and **Takayama**.

Discover the most important sights in **Kyoto** before flying off-the-beaten track to **Kunisaki Peninsula** (Kyushu Island) for a spiritual walk.

Finally, take a well-deserved rest (or more hikes) in the pristine **Yakushima island** before heading off to **Osaka**.
