The Architectural Legacy of Tadao Ando

The Architectural Legacy of Tadao Ando

14D / 13N

Summary

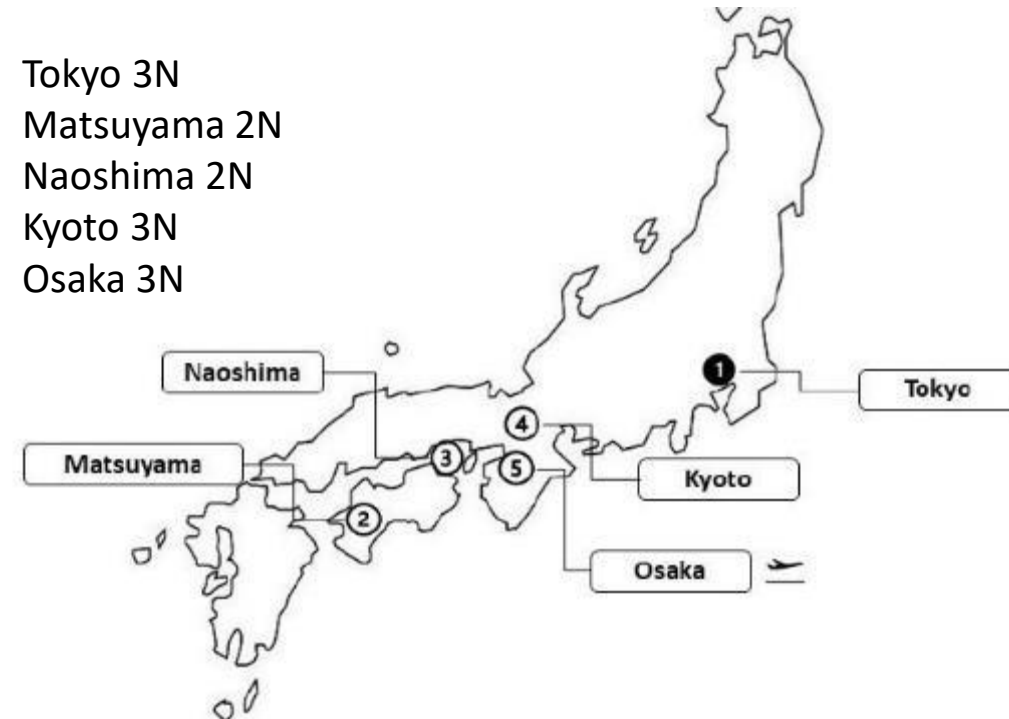

Discover the enduring work of Tadao Ando, a self-taught, pioneering architect for over four decades and Pritzker Prize of Architecture in 1995.

This fully customizable journey focusing on Japanese contemporary architecture's icon Tadao Ando, will take you throughout the country, from large cities to remote islands and destinations.

Explore Japan with a fine balance between ancient & new architectural sites, contemporary arts in eye-pleasing landscapes and urban sightseeing, while staying at some of the best accommodation the country has to offer.
